To ensure the preservation, restoration, environment protection and ecologically sensitive development and maintenance of the Moonee Ponds Creek and adjoining catchment areas.

WALK, TALK AND GAWK – Birdlife on Moonee Ponds Creek
Sunday 18 October 2026, 8.00am for 8.30 start, finish 10.30am

Timed for peak bird activity, join local bird enthusiast, and FoMPC member, Greg Hunt on this bird watching activity along the Moonee Ponds Creek Trail in Oak Park.

Years of planting and restoration have been worth it as the local birdlife gives creek preservation a tick of approval. Join Greg as we walk a section of the Moonee Ponds Creek Trail to see roosting Tawny frogmouths, nesting Willie wagtails, Chestnut teal herding their ducklings to safety, plus whatever else we can find.

Location: Meet outside Francis Winifred Café, Cnr Winifred St and Francis St Oak Park, at 8 am (café opens at 8 am on Sundays) for an 8.30 start, finishing back at the café at 10.30am.

What to bring: Dress for the weather and bring binoculars if you have them.

Time and date: Sunday 18 October 8.00am for 8.30 start – 10.30am

Enquiries: Please RSVP to gmaxwellhunt@gmail.com so we know how many copies of the handout to prepare. Numbers limited to 20.

We look forward to seeing you there.
